Office of Legislative Counsel

Sunday - 22 April 1956

- - - -

The Director met with Messrs. Hamilton and Potts, Counsel and Associate Counsel of the Symington Subcommittee, to have an advanced discussion of questions which might arise at the Subcommittee's hearing on 23 April. General Bull and Messrs. Stoertz and Paul attended for CIA, and General Watson of the Air Force also attended with two staff members. It was agreed that the Director would first deal with clarifying facts on his previous testimony regarding missiles and planes and that Mr. Hamilton would question him on general matters relating to the Soviet military expansion over the last ten-year period. The Director also agreed to give the Committee a briefing on the scientific manpower situation.
